

Ratepayer Justice & Commercial Power Accountability Act

CONGRESSWOMAN
**MARCY
KAPTUR**
SERVING THE 9TH DISTRICT OF OHIO

What does the legislation do?

The legislation creates the Ratepayer Justice Fund to compensate victims of utility and utility executive corruption. The bill is designed to prevent another FirstEnergy scandal.

Who qualifies?

- Electric or gas utility customers whose rates increased as a result of utility criminality
- Misconduct occurred within the last 20 years
- Malfeasance is recognized by the Federal Government
- Residents and businesses qualify

Ratepayer Justice Fund

- Used to compensate victims and aid affected communities
- Funded by guilty utilities and executives at an amount equal to customers' increased costs

Customers

- File a claim through your annual Federal tax return
- Receive refundable tax credit

Communities

- Eligible for Ratepayer Community Restoration Grants from the US Dept. of Energy
