The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

It is a pleasure serving with you on the Committee on Appropriations, I value your leadership. I am requesting funding for the New Fire Station 16 on Dorr Street project in fiscal year 2025. The entity to receive funding for this project is the City of Toledo, located at One Government Center, Suite 2200, Toledo, OH 43604. The funding would be used to rebuild Fire Station 16, located at 1301 Dorr Street in Toledo, OH 43607. At present, the old building is expensive to use and maintain and incapable of adequately supporting the city's fire-fighting assets. This translates to a degradation in the city's ability to protect life and property. This project is a good use of taxpayer funds because it increases the economic and physical security of the area by allowing the city to provide adequate fire protection services.

This project has a federal nexus because it is consistent with the goals of the following eligible uses of the Community Development Fund (CDF) authorized in 42 U.S.C. 5305(a)(2) and 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Marcy Kaptur".
