STEERING AND POLICY

March 27, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

It is a pleasure to serve with you on the Committee on Appropriations, and I value your leadership.

I am requesting \$2,500,000 in Fiscal Year 2027 funding for the Board of Lucas County Commissioners for the Parkwood-Jefferson Infrastructure and Safety Improvements project located in Northwest Ohio. The entity to receive funding for this project is The Board of Lucas County Commissioners located at 1 Government Center Suite 800, Toledo, OH 43604.

This project supports a component of a broader public-realm and safety improvement initiative enhancing transit accessibility, pedestrian safety and access around Parkwood Avenue, Jefferson Avenue. Support for this project is a good use of taxpayer money because it has a direct, positive benefit on the residents in the area by improving the corridor to safely accommodate increased visitation, transit availability, and economic activity associated with major ongoing capital investments in the district.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and nor does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Marcy Kaptur".
