The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

It is a pleasure to serve with you on the Committee on Appropriations, and I value your leadership.

I am requesting \$2,000,000 in FY27 funding for the City of Rossford located in Northwest Ohio. The entity to receive funding for this project is the City of Rossford, located at 133 Osborn Street in Rossford, Ohio 43460.

The funding would be used for this project, allowing for enhanced traffic access, and generating economic development of 40+ industrial acres at the far northern border of Rossford. Increased safety and increased economic development will allow the city to continue to provide the very best safety & security for their residents and visitors to our community and the region. This project is a good use of taxpayer funds because the Rossford Downtown Corridor project calms traffic in this corridor, increasing safety by more than 70% for the students attending & visiting Rossford schools. In addition, it creates multi-use paths and a bike lane to keep our downtown connected to other communities and to increase opportunities for pedestrians. Finally, this project allows for the development of 40+ acres for business and warehousing that will add jobs to the Rossford income tax base.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code. This project has a federal nexus because it is consistent with the goals and eligible uses of the Community Development Fund (CDF) authorized in 15 U.S.C. 272(b)(2), 15 U.S.C. 272(b)(4), 15 U.S.C. 272(b)(6), 15 U.S.C. 272(b)(10), 15 U.S.C. 272(b)(12), and 15 U.S.C. 272 (c)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Marcy Kaptur".
