MARCY KAPTUR

9TH DISTRICT, OHIO

March 29, 2023

The Honorable Kay Granger
Chairwoman
Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

It is a pleasure serving with you on the Committee on Appropriations, I value your leadership. I am requesting funding for the EMS Facilities Upgrades Sandusky County, Ohio project in Fiscal Year 2024. The entity to receive funding for this project is the Sandusky County Auditor, located at 622 Croghan Street, Fremont, Ohio 43420. The funding would be used for the renovation of the EMS building, upgrading mechanical and electrical as well as adding security and technology. The project is an appropriate use of taxpayer funds because the Sandusky County EMA office will be upgraded to a space where they can house all their emergency equipment for easy access, providing better access and more space when the EOC is activated; communication services will be updated and enhanced to also provide easy and faster access to the community for EMS to provide Emergency Services, keeping the two offices in closer communication when working together.

The project has a Federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

MARCY KAPTUR
Member of Congress
