STEERING AND POLICY

March 27, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding in the amount of \$2,148,800.00 for the City of Toledo Urban Wood Reclamation Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Toledo, located at 640 Jackson Street, Toledo, OH 43604.

The funding would be used by the City to construct a facility for its Urban Wood Reclamation Project. Once constructed, the facility will enable the City to divert usable wood from routine tree removals toward beneficial reuse. The project is an appropriate use of taxpayer funds because it will improve the condition of public infrastructure and facilities in Toledo and will support jobs and skilled training opportunities in the carpentry and woodworking trades within the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4) of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Marcy Kaptur".
