The Honorable Tom Cole
Chairman
Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

It is a pleasure to serve with you on the Committee on Appropriations, and I value your leadership.

I am requesting funding for the City of Maumee, Ohio Police Department in Fiscal Year 2027.

The entity to receive funding for this project is City of Maumee, located at 400 Conant St, Maumee, OH 43537.

The funding would be used to support a robust plan of improved equipment upgrades and acquisitions that will allow local law enforcement and safety services to provide both higher quality community support and regional mutual aid during critical incidents.

The project is an appropriate use of taxpayer funds investing in technological and equipment upgrades which will positively impact both the local community of 14,000 residents and increase the response time of mutual aid to assist a region of nearly 400,000 residents. These upgrades will invest in new systems with proven benefit to public safety and community policing operations while addressing a notable gap in regional response capabilities.

This project has a federal nexus because it is consistent with the goals and eligible uses of Department of Justice Community Oriented Policing Services (COPS) Technology & Equipment Community Project Funding as authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Marcy Kaptur".
