COMMITTEE ON THE BUDGET
STEERING AND POLICY

March 20, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

It is a pleasure to serve with you on the Committee on Appropriations, and I value your leadership. I am requesting funding in the amount of \$3,000,000 for the U.S. Army Corps of Engineers, Buffalo District to work with the City of Perrysburg, Ohio, the non-federal interest in Fiscal Year 2027 to construct a comprehensive wastewater treatment infrastructure improvement project. The entity to receive funding for this project is the U.S. Army Corps of Engineers, Buffalo District, located at 478 Main Street, Buffalo, NY 14202. The address of the non-federal interest, the City of Perrysburg is 201 West Indiana Ave, Perrysburg OH, 43551.

The funding would be used to enhance reliability, regulatory compliance, and long-term capacity of the City of Perrysburg's wastewater treatment plant. Specifically, the project entails expanding and modernizing primary treatment processes, improving management of internal recycle streams, and completing associated site and utility upgrades necessary to support future plant expansion.

The project is an appropriate use of taxpayer funds as it would ensure environmentally compliant wastewater infrastructure in the City of Perrysburg, Ohio, and as a result protect public health and the environment.

This project has a federal nexus because the funding provided is for purposes authorized by Section 594 of the Water Resources Development Act (Public Law 106-53). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Marcy Kaptur".
